In the event of an Emergency, a Member’s Authorized Official may request mutual aid and assistance from a participating Member. Requests for assistance can be made orally or in writing. When made orally, the request for personnel, equipment or supplies shall be prepared in writing as soon as practicable. Requests for assistance shall be directed to the Authorized Official of the participating Member. Specific protocols for requesting aid shall be provided in the procedures prepared under Article IV.

If the Member is willing and able to provide assistance, the Member shall inform the Requesting Member about the type of available resources and the approximate arrival time of such assistance.

C. **Discretion of Responding Member’s Authorized Official.** Execution of this Agreement does not create any duty to respond to a request for assistance. B. **Control.** While employees so provided may be under the supervision of the Responding Member, the Responding Member’s employees come under the direction and control of the Requesting Member, consistent with the NIMS Incident Command System response protocol to address the needs identified by the Requesting Member. The Requesting Member’s Authorized Official shall coordinate response activities with the designated supervisor(s) of the Responding Member(s). The Responding Member’s designated supervisor(s) must keep accurate records of work performed by personnel during the specified Period of Assistance.

C. **Food and Shelter.** Whenever practical, Responding Member personnel must be self sufficient for up to seventy-two (72) hours. When possible, the Requesting Member shall supply reasonable food and shelter for Responding Member personnel. If the Requesting Member is unable to provide food and shelter for Responding Member personnel, the Responding Member’s designated supervisor is authorized to secure the resources necessary to meet the needs of its personnel. Except as provided below, the cost for such resources must not exceed
the per diem reimbursement rates published by the State of Idaho Board of Examiners for the applicable period and location. To the extent food and shelter costs exceed Board of Examiners’ per diem rates, the Responding Member must demonstrate that the additional costs were reasonable and necessary under the circumstances. Unless otherwise agreed to in writing, the Requesting Member remains responsible for reimbursing the Responding Member for all reasonable and necessary costs associated with providing food and shelter, if such resources are not provided by the Requesting Member.

D. **Communication.** The Requesting Member shall provide Responding Member personnel with radio equipment as available, or radio frequency information to program existing radios, in order to facilitate communications with local responders and Member personnel.

**ARTICLE VII. COST REIMBURSEMENT**

The Requesting Member shall reimburse the Responding Member for each of the following categories of costs incurred during the specified Period of Assistance as agreed in whole or in part by both parties, provided that any Responding Member may assume in whole or in part such loss, damage, expense, or other cost, or may loan such equipment or donate such services to the Requesting Member without charge or cost when permitted by law to make such donation.

A. **Personnel.** The Responding Member shall be reimbursed by the Requesting Member for personnel costs incurred for work performed during the specified Period of Assistance. Responding Member personnel costs shall be calculated according to the terms provided in their employment contracts or other conditions of employment. Requesting Member reimbursement to the Responding Member should consider all personnel costs, including salaries or hourly wages, costs for fringe benefits, and indirect costs.
B. Equipment. The Requesting Member shall reimburse the Responding Member for the use of equipment during the specified Period of Assistance, including, but not limited to, reasonable rental rates, all fuel, lubrication, maintenance, transportation, and loading and unloading of loaned equipment. All equipment shall be returned to the Responding Member in good working order as soon as is practicable and reasonable under the circumstances. As a minimum, rates for equipment use must be based on the Federal Emergency Management Agency’s (FEMA) Schedule of Equipment Rates. If a Responding Member uses rates different from those in the FEMA Schedule of Equipment Rates, the Responding Member must provide such rates orally or in writing to the Requesting Member prior to supplying the equipment. Mutual agreement on which rates are used must be reached in writing prior to dispatch of the equipment. Reimbursement for equipment not referenced on the FEMA Schedule of Equipment Rates must be developed based on actual recovery of costs. If Responding Member must lease a piece of equipment while its equipment is being repaired, Requesting Member shall reimburse Responding Member for such rental costs.

C. Materials and Supplies. The Requesting Member must reimburse the Responding Member in kind or at actual replacement cost, plus handling charges, for use of expendable or non-returnable supplies. Reusable supplies that are returned to the Responding Member with damage must be treated as expendable supplies for purposes of cost reimbursement.

D. Payment Period. The Responding Member must provide an itemized bill to the Requesting Member for all expenses incurred by the Responding Member while providing assistance under this Agreement. The Requesting Member must send the itemized bill no later than ninety (90) days following the end of the Period of Assistance. The Responding Member may request additional periods of time within which to submit the itemized bill, and Requesting Member shall not unreasonably withhold consent to such request. The Requesting Member must pay the bill in full on or before the forty-fifth (45th) day following the billing date. The Requesting Member may request additional periods of time within which to pay the itemized bill, and Responding Member shall not unreasonably withhold consent to such request, provided, however, that all payment shall occur not later than one (1) year after the date a final itemized bill is submitted to the Requesting Member.

E. Records. Unless prohibited by law, each Responding Member and their duly authorized representatives shall have access to a Requesting Member’s books, documents, notes, reports, papers and records which are directly pertinent to this Agreement for the purposes of reviewing the accuracy of a bill or making a financial, maintenance or regulatory audit. Such records shall be maintained for at least three (3) years or longer where required by law.
ARTICLE VIII.
DISPUTES

If any controversy or claim arises out of or relates to the execution of this Agreement, including but not limited to an alleged breach of this Agreement, the disputing Members shall first attempt to resolve the dispute by negotiation.

Specifically, the duty of a public entity to defend, indemnify or hold harmless any party shall not be extended beyond the appropriation of expenditures for such duty as required by law, including Idaho Code section 59-1015 and Article VIII, Section 4 of the Idaho Constitution. The scope of the Requesting Member’s duty to indemnify includes, but is not limited to, suits arising from, or related to negligent or wrongful use of equipment or supplies on loan to the Requesting Member, or faulty workmanship or other negligent acts, errors or omissions by Requesting Member or the Responding Member personnel.

The Requesting Member’s duty to indemnify is subject to, and shall be complied consistently with, the conditions set forth in Article X.
